The Sylvan District Band and Orchestra Concerts are important to the success of our music program. These concerts give incoming 5th graders a chance to hear and perform with our most advanced Savage Band, Orchestra, and Percussion Ensemble.

I know at this time of the year these performances feel like our 500th concert... for most of these 5th graders and their parents this will be their first exposure to the Savage Music Program. This will be our 8th graders final performance in the Savage Gym before graduation.

Chuck Holtan, Director of Bands and Orchestra, Savage Middle School
